Call for Papers

ISAHP2018 Special Invitation

The purpose of this call for paper is to collect a high-quality selection of papers based on ISAHP2018 presentations in Hong Kong, P.R. China. IJAHp is the official AHP/ANP scholarly journal that publishes papers about research and applications of the Analytic Hierarchy Process (AHP) and Analytic Network Process(ANP). IJAHp has always supported ISAHP meetings by providing a *fast-track* publication opportunity for suitable papers presented in the ISAHP symposia. Our intention is to publish these papers as early as December 2018. When submitting your article, indicated (in the comments to the editor section) that this paper is based on your ISAHP proposal presentation (give specific title).
